Foreword

We have tried to reproduce with snapshots, autographs, and activities, the spirit of a memorable year at Fenton High School.

May "LeFentonien" serve as a reminder of your happy high school days and always signify honest effort, school spirit, and love for our Alma Mater.

I am grateful to the yearbook staff, to the administration, faculty, and student body for their co-operation and encouragement.

Principal's Message

TO THE SENIOR CLASS OF 1960

It has been a real pleasure to have you in high school these four years. Many of you have made valuable contributions. I feel that you are capable of going out in the world and doing a creditable job in whatever you decide to do. I would like for each Senior to know that I am counting on you to do your best at all times.

I wish for each of you a long, happy, and prosperous life.

Dedication

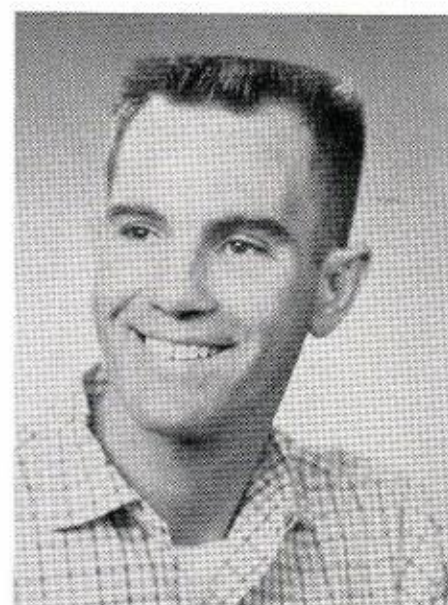

We, the Seniors of 1960, wish to dedicate our annual to Mr. M. H. Anderson, Sr. and Mr. Raymond Bebee who have served us faithfully as School Board Members and friends. We wish to express our sincere and humble gratitude for their guidance and understanding when we were in need of it. We realize that they are more than worthy of this honor and tribute.

A black and white photograph of a forest scene. A large, dark tree trunk is in the foreground, partially obscuring the view. A path leads from the bottom right towards the center of the image, disappearing into the distance. The background is filled with trees and foliage, creating a dense forest atmosphere. The lighting is dramatic, with strong shadows and highlights.
